## VidyoWorks™ Client API for the VidyoWeb™ Browser Extension

Anchor Version 1.3.16

March, 2017

Doc. Rev A

## About VidyoWorks™ Client API for the VidyoWeb™ Browser Extension Anchor Version 1.3.16

### What's New in this Release

No changes were made to the VidyoWorks Client API for the VidyoWeb Browser Extension in version 1.3.16. This version is simply being released in order to keep the release numbers parallel with VidyoWeb Extension version 1.3.16 which addresses the Mozilla® Firefox® version 52 deprecation of the NPAPI plugin architecture on March 7, 2017.

## Compatibility

To determine which version of the VidyoPortal™ your VidyoWorks Client API for the VidyoWeb Browser Extension version is compatible with, do one of the following:

- Click [Compatibility Matrix](#), log in to your account on the Vidyo Support Center, and refer to the Software Compatibility Matrix.
- Go to <https://support.vidyocloud.com>, sign in, and refer to the [Vidyo compatibility matrix](#) article.

The following table defines the compatibility between the VidyoWorks Client API for the VidyoWeb Browser Extension, OS platforms, and browsers.

VidyoWorks Client API for the VidyoWeb Browser Extension	Compatible Platforms	Compatible Browsers
1.3.16	<ul style="list-style-type: none"> <li>■ Windows® 7 32-bit and 64-bit</li> <li>■ Windows 8 32-bit and 64-bit</li> <li>■ Windows 8.1 32-bit and 64-bit</li> <li>■ Windows 10 32-bit and 64-bit</li> <li>■ Mac® OS X 10.8 – 10.11.6</li> <li>■ macOS Sierra 10.12</li> </ul>	<ul style="list-style-type: none"> <li>■ Chrome version 48 and later</li> <li>■ Firefox® version 38.7.0 ESR, version 45 and later</li> <li>■ Internet Explorer® version 11</li> <li>■ Safari® version 9.0.3 and later</li> </ul>

In order to work properly with Chrome:

- The VidyoWebConnector Chrome Extension must be enabled.
- Starting with Chrome version 47, the VidyoWeb Extension and the VidyoWorks Client API for the VidyoWeb Browser Extension will work only with HTTPS on Chrome.
- The minimum requirement is OpenGL 2.0, and the latest GPU/Graphics driver should be installed (with OpenGL 2.0 support).

**Note** The VidyoWorks Client API for the VidyoWeb Browser Extension may run successfully in environments other than those listed in the previous table; however, only these environments have been tested by Vidyo.

Vidyo has tested the VidyoWorks Client API for the VidyoWeb Browser Extension using the out-of-box settings. Issues may occur when using different browsers and security settings.

## Resolved and Known Issues

No new resolved or known issues were introduced in the Vidyoworks Client API for the Vidyoweb Browser Extension version 1.3.16 since version 1.3.15.
