

Elevate your Business Communications with Enghouse Video Solutions

Connect teams and amplify your organizational reach

At Enghouse, we're dedicated to offering you top-tier alternatives that ensure uninterrupted business communication. Our portfolio includes industry leaders such as Vidyo, Qumu, and Lifesize creating a powerhouse of options tailored to your needs.

Vidyo® **Vidyo: Virtual Meetings**

Catering to Fortune 100 companies and the largest hospital chains worldwide, Vidyo boasts an impressive portfolio of 175 patents, a testament to its innovation and dedication to enhancing your communication experience.

- Specialize in high-quality video communications with adaptive video technology
- Offer customizable Video APIs and SDKs for embedding video into applications
- Industry focused solutions

Qumu **Qumu: Webcasts & Virtual Events** An Enghouse Company

Qumu lets you create, manage, deliver live or on-demand video content. Qumu is different because it integrates seamlessly with existing tools and workflows, and it adapts to the organization's preferences and requirements for security and reliability. Qumu has helped improve productivity and engagement to many Forbes 2000 organizations, especially those in highly regulated industries.

- Specialize in video delivery at scale
- Offer integrations with modern video conferencing applications
- Ideal for complex network environments

Lifesize **Lifesize: Meeting Room Solutions** An Enghouse Company

Lifesize offers a cloud-based conferencing experience with easy-to-use conference room cameras and high-definition phones, designed for large meeting rooms, auditoriums and lecture halls, enabling clients to connect to anyone, anywhere.

- Offer video conferencing solutions along with hardware options for conference rooms
- Unified platform for video, audio, and web conferencing
- Focus on ease of use and a consistent experience across devices
